## July President's Message

As I write this article, the sun is shining, the birds are singing, and my lawns (and weeds) are growing. If you are anything like me, I could hardly wait to say this, but, I know come August, I will be saying "we sure need a bit of cool weather."

All the hard work of the previous year was rewarded. The Pine Tree Quilt Guild's Springtime in the Pines Quilt Show was well attended and - from all indications - a great success. Many Silent Auction items were donated, and a big special thank you to Debra Wruck for donating the Janome MC 5000. The baskets were outstanding, and the toast of the town. The Guild challenge was a big hit, as were the **Pieces of Home Project, and the Quilts of Valor.**

A great big thank you to all who gave so selflessly of their time, talent, and energy. To all of who were hesitant, or unable to help, please reconsider and next year give to your quilt guild. The guild will only be as successful as YOU make it.

I'm looking forward to the Picnic on July 5<sup>th</sup> at the LDS Church on Hollow Way in Nevada City, thank you Nancyann for setting this up. Please be sure to attend, good food, good friends, show and tell.

The Jamboree will take place on Saturday, September 24<sup>th</sup>. Two instructors will be Judy Cisneros who will do "circle pizzazz" and Rachel Clark who will teach techniques for quilts and garments. The Jamboree is the Guild's way of thanking members for their active participation in the Guild throughout the year. So, you can attend the Jamboree and join in with that part of our purpose that contributes to fun and fellowship within educational quilting activities. Any member of PTQG is eligible to participate in the Jamboree.

I have remembered numerous times this last couple of weeks how very fortunate we are to be members of this Guild. Not only do we get to enjoy each other's achievements, ideas, quilts, stash of fabrics, new gizmos and gotta haves, but we have one of the best support systems in Nevada County. I think this is what makes our Guild so special, or maybe that's what belonging to a Guild is all about, women who have bonded together for the love we have of quilting, and, in the process, development of friendships and love for each other.

Wishing everyone a very happy, healthy, and fun summer.

With friendship and love,

~ Anita Dall, President

## Thank You!! Messages from Camp Leatherneck, Afghanistan

(more sprinkled throughout the newsletter)

Good Morning from Sunny Afghanistan. My Company has received numerous quilts from the Pine Tree Quilt Guild, Foothill Quilt Guild, and the Mountain Art Quilters. I found your name on one of the quilts and thought I would drop you an email to send a Heart Felt "THANK YOU" to you and all the others who put so many hours putting these quilts together. We know this took an immense amount of time and effort and the Marines here appreciate everything we get from back home. This gives us a brighter outlook on things to know that we are supported by people back in the US. Thank You and all the others who were involved in this venture. You all will never know how much it means to us. My Sister-In-Law, Jeanne Tulley was involved heavily in this venture as well. Don't know if you know her. Thanks Again from the bottom of my heart, My Marines will enjoy the Quilts very much.

SEMPER FIDELIS! MSgt. Thomas C. Sharpe, ORD/GSM SNCOIC

My name is Cpl Kiser. I never knew how many people supported what we are doing until I came out here. It is great citizens such as yourself and your guild that keep our morale high. I can only imagine how much time went into making each of these wonderful quilts.

Each one is unique and you can see the different styles and everyone's "little piece of home". To each and every person who helped in any way I want to say thank you.

Hello this is LCpl Carroll. I want to start by thanking you for the quilt. It's is very nice to have something warm on you from home while you sleep it truly is a piece of home. I also want to thank everybody else that made them each and every quilt is a one of a kind home sweet home.

My name is LCpl Dunbar. I always wanted my very own quilt and now I have one to keep me warm and comfy at night. I would like to thank each and every one of you for your support.

I am deployed to Leatherneck Afghanistan with MSgt Sharpe. I just wanted to say thank you for supporting the guys out here and sending them the beautiful quilts. I picked one out that goes with my son's room to take home for him. He is due September 2<sup>nd</sup> and his name will be Jackson Cole Jacobs. I have been out here a bit and am headed home this Friday. So thank you again.

Roy Jacobs , Field Engineer

### COMMUNITY SERVICES

WOW! June is gone! We're looking forward to continuing with Community Services and Drop-in through the summer - July 21 and August 18, 9 AM to 3 PM There were a number of quilts, tops, fabric and stockings turned in at the June meeting - always welcome! Also, some folks took kits to make and return later. By the time guild meets in September we'll need to be getting serious about our December giving, and that includes Christmas Stockings. Doris Herman is already busy working on them! If you have Christmas fabric you aren't needing, please think about donating for the project, as we have very little in the closet. Ina and Ruth have been busy and have many tops paired with backing and batting, just waiting for quilting. Pat Fryer has not only made more kits, she has quilted and finished a number of quilts! Consider coming to spend a little time helping out! There will be chocolate!

Thank You.

Sincerely, LCpl Simmons

## Disaster Requests

I have had many requests from guild members asking if we are doing anything for Japan after their disaster, or for tornado victims in the Missouri and Oklahoma. I have talked to Anita, and we agree that we're just not up to a huge undertaking at this time, as well as having a great need right in this community. However, I have been reading on equilter.com about the charity work through them, and if anyone is interested, they can certainly contribute through that avenue. They have actually worked through Mission of Love and so far there have been over 2155 quilts sent to the most needy areas in Japan for distribution. They also will be distributing to specific places in Missouri and Oklahoma where there has been such terrible loss. If you are interested, you can send to Mission of Love, 2054 Hemlock Court, Youngstown, Ohio 44515.

Thank you!

My name is Lcpl Ruiz, Lucy. I work in the maintenance operation section for the company as a clerk. I received one of the most beautiful quilts the day we got the care package you and your friends sent. Thank you very much for taking the time to think of us. We appreciate everything you do for us. God Bless!!

Respectfully Submitted, LCpl Ruiz, Lucy M,  
Combat Logistic Regiment 25

Good Morning Ladies,

I would like to say thank you on the behalf of all the Ladies at Maintenance Company.

We love the quilts that everyone had made for us. Thank You they mean a lot to us.

## GUILD CHALLENGE

This year our Challenge is "SONG TITLES". You choose the title, size, shape, colors, etc. The only 'rule' is to have it done for the Quilt Show. The song title can be from any genre. John Denver's "Eclipse", Sondheim's "Halleluiah", "Fun Fun Fun" by the Beach Boys, "Yellow" by Coldplay, "The Itsy Bitsy Spider". Be creative and have fun

The finished quilts will be hung together at our 2012 Quilt Show. They will be voted on by the attendees at our show. The voting categories will be: Best Use of Theme; Best Traditional; Best Art; Most Humorous and Favorite. Winners will be announced at the first Guild meeting after the Show and prizes will be awarded.

There will be a suggestion box/bag at each Guild meeting for your ideas for future challenges. It will be on the table close to wherever I am sitting.

If you have any questions, please feel free to call.

## Classroom Projects

Well, summer is finally here and school is out!! My volunteers and I get a little break before it starts all over again. I did three classroom projects this school year with 3rd grade students. Starting in the fall students made snowman pillows to give as holiday gifts. I had two first grade classes that drew crayon self portraits and my wonderful helpers Betsy Tyler and Ardy Tobin put together two very special quilts to be raffled. Thank you ladies.

I completed the years activities with Mother's Day projects in two 3rd grade classes. I would like to thank all the ladies that so graciously gave of their time and energy (those youngster can wear you out). We always have a good time and fun with the kids. So a GREAT BIG THANKS to Karen Mitchell, Mary Ross, Susan Hopkins, Claire Carter, Naomi, Molly & Heidi Cook, Alice Ruth Mischke, Lin Schiffner, Carolyn Christiansen . Special thanks to LaVeta Nevius for cutting all those squares so neatly and timely.

I look forward to starting again in the fall and hope I can call on my loyal helpers and maybe a few more new ladies. I'll be asking, so give it a try and see if you like it. Sewing with children is very fun and rewarding, passing on our love of quilting to future generations.

Happy Summer!!!

## Notes from your Program Chair

Our Demonstration Night was well received! Thank you to Myrna Raglin, Githa Navo, Sharon Cook, Ina Gibson, Pat Gillings, and Pat Nelson for your outstanding presentations! We have had very positive feedback, and Demo Ladies: *You did a wonderful job!* Thank You So Much!

Next month, of course we are having our Picnic at The JC Church of Latter Day Saints.

As for September, we have had a wonderful response already for Barbara Shapel's class. There are 2 slots left to reach our maximum goal of 20 students for the Nautalis Class. We have had 2 e-mail requests from members outside the guild and we could fill those spots! Our members get first priority however, so if you want to take her class, call Chris Parks (530) 477-0690

The cost is \$41.00 for the kit and the class. Barbara is flying from the state of Washington and her quilts are outstanding. **You won't want to miss the September Lecture!** In order for you to have a spot in the class, you must send your check or money to be considered enrolled! I will mail you your kit as soon as we receive your check!

## SUTTER MEDICAL CENTER QUILT AUCTION

Don't forget the auction through Sutter Hospital for Cancer research. Those quilts may be turned in to Sugar Pine Quilt Shop by September. More information on these items can be accessed on line, or call me for more information. I really like the quote I read on the Mission of Love site - "You are not here to save the world, but to touch the hands that are in your reach"

Thank you!

## Do you have an empty chair in your Mini-group?

Are you in a mini group that needs a few more good quilters? We have some! They are waiting for your call. It is a shame to have a "loose" quilter out there without her own mini-group. Please call me if you have an empty space in your group. Thanx!

My name is LCpl Stevens. I also received one of your guilds' quilts and I would like to say thank you very much. It is very nice to receive things from home and to receive something that took so much effort, from a complete stranger makes me feel very good! I am humbled that there are people, like your guilds, that care enough about us out here in the dirt to do something so selfless. I will close for now saying that no written words will ever be able to fully express my gratitude to you, the guilds, and the people like you. Thank you very much.

These are the names of the Marines and those who made the quilts they received. Some of the quilts did not have the name of the quilter on them. Also, because we work in shifts I wasn't able to get the names from the Marines on the morning shift. I have instructed a Marine from that room to get the names though and I should have them by tomorrow.

LCpl Dunbar's quilt was made by Melissa McGinnis.

LCpl Bledsoe's quilt was made by Pine Tree Quilt Guild.

LCpl Simmons' quilt was made by Jeanne Pincha-Tulley & Pam Pincha-Wagener and quilted by Sharon Cook.

LCpl Kimball's quilt was made by Jeanne Pincha-Tulley; quilted by John & Karla Rodgers.

LCpl Spause's quilt was made by Lana LaPlante.

Cpl Smith's quilt was made by Deirdre Campbell quilted by Sharon Cook

Cpl Veal's quilt was made by Jeanne Pincha-Tulley and quilted by Sharon Cook.

SSgt Evans' quilt was made by Larna Tiller.

Some of the Marine's didn't know what to write, but thank you all for his or her little piece of home.

Precision Quiltworks is a full service quilting company specializing in longarm quilting and quilt restoration services. Begun in late 2008, it is owned by the husband and wife team of John and Karla Rogers. Binding and repair services, basting for hand quilters, and complete quilt construction and design from start to finish are also available. The cornerstone of the studio is a Statler Stitcher Computer program with a Longarm Gammill "Optimum" quilting machine, nicknamed *HAL*, over 3,000+ computerized patterns are available, as well as free motion and custom designs upon request. Recently, several clients' quilts as well as their own, received judged awards at the Springtime on the Pines Quilt Show, including 1st place blue ribbons in both the professional and beginner categories. Each quilt that comes into the studio is treated with the utmost respect and care.

Perma Core and Superior specialty threads are offered in a wide variety of colors, as well as Hobbs Heirloom 80/20 batting in Natural and Black (96 in.) or White (108 in.). Clients may provide their own batting upon approval; however, you are encouraged to patronize your local quilt shops for the many other wonderful new batting choices!

Pricing for machine quilting is based on intricacy of pattern design and charged by "per square inch". Restoration services are priced according to the work needed. With both partners performing the machine quilting, we strive for a "quick turn around time".

With a rich heritage of quilt making and collecting on both sides of their families, John and Karla have a true passion for this wonderful art form and consider it a privilege to come alongside you to complete your project!
